To The Delivery Clerk:

Please deliver the above mentioned packages to the bearer, subject to Customs & Quarantine release. Any demurrage or storage charges are for account of bearer or consignee.
For and on behalf of T.S. Lines

Important: Containers are to be returned in clean cargo worthy condition, free from transferable stains, dunnage, lashings and labels. Containers that do not comply will be rejected by the depot and or cleaning and repair fees may apply. Open Top containers must be returned to our nominated depot with tarp fitted otherwise additional charges will be incurred. Reefer containers must be returned to our nominated depot with cable intact otherwise additional charges will be incurred.

Detention will be charged if containers are not returned within the free period. This container and cargo is subject to the terms and conditions of the T.S. Lines Bill of Lading. Further terms and conditions do apply, please contact Seaway Agencies Pty Ltd for further details

TS Lines charges for Australia (including detention) can be found at <https://www.tslines.com.au/charges>

TS Lines Free time can be found at https://www.tslines.com/en/importservice/free_days_inquiry - please search by Bill number and ensure to look at Import AU Free time if listed - if no result - standard free time applies.

TS Lines offers 7 Calander days free detention as standard across equipment types, free time commences from day of availability at the terminal, which can be found on 1-stop for Australian Terminals. For Detention charges please refer as above to <https://www.tslines.com.au/charges>.

Please contact Seaway Agencies Pty Ltd if applicable rates and/or conditions are required.
